

WELCOME!

From LA CASITA we would try to make everything on our hand for our clients and friends to make their stay as comfortable and pleasant as possible.0

We want the time you spend in La Casita to be as enjoyable as possible. Our goal is that you can enjoy the tranquility, peace and quiet that a rural environment provides. At the same time, you have the possibility of doing outdoors activities such as hiking, horse-riding, biking and cultural and gastronomic tourism.

La Casita offers you an opportunity to disconnect from work and get away from the big city to rest and recharge your internal batteries, both in body and mind.

Stroll along our paths, walk along the Gévalo or Jévalo river banks (river which is known by both names), enjoy a good meal in the company of friends and family, chat by the fireplace, watch the rural sunset and sunrise, enjoy the sky full of stars and many other simple things that are there and that are not always seen. La Casita offers you the opportunity to feel at home in a natural environment.

In the different tabs that make up this page you will find all the information about our establishment, its surroundings and the activities and trips available. Do not hesitate to contact us, it will be a pleasure to assist you and give you as much information as you need.
