

LA CASITA RULES

1. LA CASITA can accommodate a group size of SIX people, with three double rooms with two single beds each and ONE extra bed for a child. LA CASITA can only accommodate the number of people indicated in the reservation (both adults and children). Under no circumstances, this number cannot be exceeded.
2. Unregistered people are not allowed to stay in LA CASITA. If the house gets overcrowded, the police will be informed for their intervention.

FACILITIES OF LA CASITA

1. Free WIFI
2. SMART TV
3. 4 x 3 x 1,2 m swimming pool. Outdoor solar shower. A pool towel is provided for each guest for their personal use. The pool will be available throughout the year, weather conditions permitting.
4. Electrical energy: The electrical system panel is located behind the entrance door. All components are perfectly labeled with their name.
5. Heating: The heating system is by diesel fueled water coolers.
6. Each room is provided by air conditioning and a ceiling fan. In order to take care of the environment, it is recommended the ceiling fans use against air conditioning, as long as conditions are good.
7. Hot water: The hot water supply can be done in two ways, either through the electric boilers located in the kitchen and in the exterior bathroom, or through the diesel heater, that also provides the heating service.
8. LA CASITA has domestic cleaning items available free of charge.
9. Fully furnished kitchen with its cutlery and crocker: Induction plate, dishwasher, refrigerator, microwave, toaster, pans, pots, italian coffee kettle. There is an osmosis water purifier connected to the kitchen tap.

ALSO, it is available a Nespresso coffee machine and a free batch of coffee capsules.
10. Wide range of reading books and movies available. Also, there are some board games too.

11. All beds are properly equipped with their bedclothes. There is the possibility of installing a travel cot. For full week stays, the change will be made on the fourth day.

Each guest has a complete set of towels for their use. For full week stays, towels will be replaced also on the fourth day.

A daily set of items for personal hygiene (bath gel, shampoo and hand soap) is made available to customers.

12. For more information, you can interact on the following map and read the inventory of all the items with their description:
